

Privacy Policy

This notice explains our practices and policies for handling your personal information and describes our commitment to protecting the information provided to us by potential, existing and former customers.

C&J Metals, Inc. (hereafter "C&J Metals") understands the importance of maintaining the confidentiality of our customers' nonpublic personal information. In order to provide products and services to our customers efficiently and accurately, we may collect nonpublic personal information about our customers from the following sources: (1) information we receive from business documentation, including request for quotes, drawings, purchase orders or other forms (which may include information such as a customer's name, address, employer identification number, etc.) and (2) information about our customers' transactions with us, our affiliates and.

It is our policy not to disclose nonpublic personal information about our customers (or former customers) except as permitted or required by law. From time to time, C&J Metals may disclose nonpublic personal information that we collect about our customers (or former customers), as described above, to non-affiliated third party providers, including those that perform processing or servicing functions and those that provide marketing services for us or on our behalf pursuant to a joint marketing agreement that requires the third party provider to adhere to our privacy policy. We have policies and procedures to safeguard nonpublic personal information about our customers (or former customers) which include (1) restricting access to such nonpublic personal information and (2) maintaining physical, electronic and procedural safeguards that comply with federal standards to safeguard such nonpublic personal information.

If you have questions in relation to our privacy policy please contact us via the information listed below:
